14th National Pharmaceutical Conclave

20-21 December 2017, Hotel Le Meridien, New Delhi

BLOCK YOUR DATES!

PHARMA

Driving Competitive & Quality Pharmaceuticals

Meet Inspiring Speakers and Experts at the 14th National Pharmaceutical Conclave. The Conclave will present existing opportunities and the steps which have already taken place to make Indian pharmaceutical industry globally competitive.

This conclave brings together all the stakeholders who are working in the direction of easing the business environment for the pharmaceutical sector in India. Discussions and deliberations will focus on impending issues and steps needed to highlight the value proposition of Indian pharmaceuticals globally. The Conclave will also showcase the useful array of pharmaceutical research and latest developments in global drug discovery and development. This will be accomplished through an opulent and diverse sessions including keynote and plenary sessions, roundtable discussions, and stimulating workshops.

Dr. Rajiv I Modi

Chairman, CII National Committee on Pharmaceuticals & Chairman & Managing Director, Cadila Pharmaceuticals Ltd.
